

## PIG® Blue Absorbent Sock

4048 3" x 48", Absorbs up to 95 oz. per sock, 40 socks

Our heaviest absorbent sock is filled with vermiculite to form a barrier and prevent spills from spreading.

- The heaviest sock we make features extra-dense construction to hug floors and stay in place while containing spills
- Fine-grade vermiculite filler quickly absorbs leaks, drips and spills; great for spill response or absorbing machine leaks
- Stitch-bonded, polypropylene skin resists bursting; reduces dust and holds in liquid, even when saturated
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Ideal for diking and damming liquids
- Can be air-dried for reuse when soaked with water
- Nobody knows more about socks than New Pig - we invented them!

### Specifications

<b>Fluid Absorbed</b>	Oils, Coolants, Solvents, Water – Universal
<b>Color</b>	Blue
<b>Dimensions</b>	ext. dia. 3" x 48" L
