

## Pig Blue® Absorbent Mat Roll in Dispenser Box

BLU108 Heavyweight, 15" x 50', 1 roll

Soaks up common industrial liquids on shelves and ledges around machinery; delivers more absorbency per pad at a lower cost so you use less, leave it down longer and save money; comes in a convenient dispenser box.

- Line shelves and ledges near machines with our narrow heavyweight absorbency rolls -- they pack the most absorbency power we offer so they can stay down longer in hard-to-reach areas; dispenser box is easy to store on shelves and counters
- Stays down longer because it can absorb so much! Pig Blue is perfect for steady leaks and drips and in areas where changeouts are difficult, like under machines or generators or in hard-to-reach areas
- Saves you time and money by soaking up large volumes and staying down longer; it won't fall apart, even when it's soaked and absorbs liquid quickly for faster, easier cleanups
- Perforations allow you to tear off small or large pieces
- Eco-friendly mat contains 90% recycled fibers
- Fire retardant for added safety; flame-tested in accordance with ASTM Standard E84-08
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Mats take on the properties of absorbed liquids
  - always take proper precautions when handling saturated absorbents
