

## PIG® Quick-Deploy Oil-Only Absorbent Boom

BOM1200 5" x 10', Absorbs up to 3.4 gal. per boom, 8 booms

Create a low-profile absorbent barrier for rapid response to oil spills on land.

- Rolls out quickly to absorb and contain oil and oil-based spills on land
- Flat, low-profile design puts more absorbent material in contact with the ground for better absorption compared to a round boom
- Compact design and packaging for easy storage in vehicles, spill kits and other tight spaces compared to traditional absorbent booms
- Absorbs and retains oils and oil-based liquids - including lubricants and fuels – while allowing clean water through
- Rope running along length of boom adds strength for deployment and retrieval
- Attachment clip allows you to link booms together for greater length
- White color makes booms easier to see in outdoor environments and clearly shows saturation level
- Can be incinerated after use to reduce waste or for fuels blending

### Specifications

<b>Dimensions</b>	5" W x 10' L
<b>Absorbency</b>	Up to 27.2 gal. per bag
<b>Absorbency per</b>	Up to 3.4 gal. per boom
<b>Application</b>	Spill Response
<b>Brand</b>	PIG
<b>Filler</b>	Cotton & Polyester Blend
<b>Color</b>	Natural White
<b>Fluid Absorbed</b>	Oils; Fuels; Oil-Based Liquids (Not Water)
<b>Skin/Outer Mesh</b>	Outer Mesh - Polyester
<b>Sold as</b>	8 booms per bag
<b>Weight</b>	11.82 lbs.

# per Pallet	10
UNSPSC	47131907
Pigalog® Page Number	<u>Page 55</u>
<b>Metric Equivalent</b>	
Absorbency	Up to 103 L per bag
Absorbency per	Up to 12.9 L per boom
Dimensions	12.7cm W x 3m L
Weight	5.4 kg
