

PIG® Steel Cylinder Storage Cabinet

CAB1001 For Liquid Propane Cylinder, Holds 6 Horizontal Cylinders, 31.875" W x 30.4375" D x 54.75" H

Safely store gas cylinders in these lockable steel PIG cabinets.

- Store 6 cylinders of propane, oxygen and other gases safely in these vented cabinets designed just for gas cylinder storage.
- Horizontal design fits cylinders of liquid gas.
- Secure cylinders confidently between the 14-gauge steel top and bottom with reinforced corner angles.
- Lock self-close doors with padlock hasp and magnets to protect against tampering and theft.
- Safety signage and yellow powder coating warn of flammable contents.
- Boost cylinder safety by anchoring gas cylinder cabinet to floor using pre-drilled holes in footpads; hardware not included.
- Compliant with OSHA regulation 29 CFR 1910.110(f)(2)(i) and meets NFPA 30 standards.
