

PIG® Corrosives Safety Cabinet

CAB1100 Manual-Close Door Style, Holds 4 gal., 17.375" W x 18.125" D x 22.125" H

Store corrosive materials in this corrosives safety cabinet designed to protect you, your team and your facility from related hazards.

- Confidently store corrosives in this PIG corrosives safety cabinet from the brand you know and trust
- Polyethylene liners for shelves and sill resist acids, bases and pesticides
- Ribbed liner design helps keep containers out of contact with accumulated liquids
- FM Approved for storage of flammables; also meets NFPA and OSHA specifications
- Fully MIG-welded 18-gauge steel construction is built for a lifetime of continuous use
- Three-point stainless steel bullet latch provides a fail-safe, positive door closure
- Recessed handle won't catch on passing traffic
- True double-wall construction with 1.5" of insulating air space provides excellent fire protection
- 2" leakproof sump contains leaks, drips and spills
- Welded hangers interlock with shelf for maximum stability; no brackets needed
- Shelf provides 270 lb. UDL weight capacity when evenly loaded
- Built-in ground connector inhibits static buildup
