

## Justrite® Flammable Safety Cabinet

CAB110 Self-Closing Door Style, Holds 30 gal., 43" W x 18" D x 44" H

Store your safety cans and other containers of flammables in these safety cabinets from Justrite.

- FM Approved for the storage of flammables; also meets NFPA specifications and OSHA regulations
- Fully-welded, double-wall, 18-gauge steel with 1.5" of insulating air space helps cabinet stay square
- Reduced air gaps provide excellent fire protection
- Welded-in dual vents with flame arrestors dissipate heat to prevent flashback ignition
- Built-in ground connector inhibits static buildup
- Powdercoated finish, inside and out, retains high-gloss look and resists chemicals, rust and corrosion
- Three-point stainless steel bullet latch provides fail-safe, positive door closure; stands up to high heat and harsh use
- Slip-resistant U-Loc™ paddle handle has a recessed design that won't catch on passing traffic
- Welded hangers interlock with shelf for maximum stability; no brackets required
- Shelf provides 350 lb. UDL weight capacity when evenly loaded
- Haz-Alert reflective labeling is highly visible, even in low light or during a fire
- Self-closing mechanism makes sure doors shut completely every time
- Fusible link lets you prop doors open; melts at 165 degrees F to automatically shut doors in case of fire
