

# SECURALL® Weatherproof Flammable Safety Cabinet

CAB444 Manual-Close; Self-Closing Door Style, Holds 45 gal.

A sloped roof and weatherproof finish make this cabinet an excellent choice if you have to store your flammables outdoors.

- 18-gauge, double-wall steel cabinet is designed to safely store multiple containers of flammable liquids
- Steel cabinet is finished with weather- and UV-resistant urethane to withstand exposure to the elements
- Sloped roof prevents accumulation of rain, snow and debris
- 2.75" overhang and interior and exterior ridges keep out rain
- Flush-mounted stainless steel handle resists corrosion
- Raised forklift channels allow easy transportation and keep cabinet floor off the ground
- 2" deep leakproof sill prevents leaks from accidental spills
- Bolt-down bracket adds stability (mounting hardware not included)
- Lockable handle prevents unauthorized access
- Optional self-closing doors have fusible links that automatically melt at 165° F; doors close and latch to help contain fires
