

PIG® Vertical Drum Flammable Storage Safety Cabinet with Drum Rollers

CAB915 Self-Closing Door Style, Holds 55 gal., 34" W x 34" D x 66.375" H

Conveniently store vertical drums in this flammable-safety cabinet with rollers for easy loading/unloading.

- Easily and safely store vertical drums holding flammable materials.
- Vertical cabinet holds 55-gallon drum, even without removing attachments.
- Bottom rollers inside cabinet make loading/unloading convenient.
- FM-Approved flammable storage cabinet meets NFPA and OSHA specifications.
- Powder coating resists chemicals and corrosion; store indoors.
- Three-point zinc latch on self-closing fail-safe door won't spark.
- Prop open door with fusible link for convenience; link melts at 165° F in case of fire.
- Keys for built-in door lock included; can use padlock or combination lock separately (not included).
- Comprehensive design minimizes fire risks (such as ignition flashback and static build-up) using flame arrestor vents, grounding connection and air-insulated double wall.
- Hold 270 lbs. UDL on full-width shelf thanks to welded shelf hangers.
- Capture drips and spills in leakproof sump.
- Lifetime guarantee to replace or refund this MIG-welded 18-gauge steel cabinet.
