

Steel Safety Shelf Can with Control Flow Faucet

CAN460 5 gal.,Red,Bottom Faucet

Safety Shelf Can has a faucet built into the bottom for easy dispensing without having to move or lift it.

- Brass control-flow faucet allows precision dispensing without removing can from shelf
- 100% leak-tested and fully FM-compliant construction
- Durable, powder-coated steel resists fuels, solvents and lubricating fluids
- Rounded handle swings while you carry heavy loads
- Raised bottom lip adds puncture protection to underside of can and creates a secure handhold for pouring
- Spring-loaded, self-closing lid is airtight to help control vapors and prevent accidental spills
- Positive pressure relief cap automatically vents to guard against rupture and explosion
- Reinforced sidewall ribs provide extra "bumper" protection against dents
