

PPE Disposal Bin

CAN600 PPE Waste Can, Holds 26 gal., 16" x 16" x 24"

High-viz PPE waste container reminds employees and visitors to properly and safely dispose of masks, gloves, wipers and other PPE.

- Lightweight, easy-to-assemble PPE waste bin can be used as an indoor collection container at health/temperature check stations, retail stores, industrial sites, restaurants, offices, hospitals, hotels, banks and airports
- Hi-viz yellow container with printed label draws attention to properly dispose of PPE and wiper waste; container is easy to see to prevent trip hazards
- Handles make it easy to carry and move; non-slip strips can be applied to the base to help maintain placement in high foot traffic areas
- Locking bottom ensures waste does not fall out the bottom; keeps container upright when full or empty
- Composed of corrugated plastic; can be stored flat to save space
- Helps meet workplace control measures outlined by OSHA's Guidance on Preparing Workplaces for COVID-19
- Contains hi-viz waste container with anti-slip strips, (3) liners and lid
