

Microfiber Tube Mop

CLN1100 For General Maintenance, 13" x 16", 1 each

Ditch your old-school mops and start deep cleaning floors to remove bacteria with this microfiber wet mop.

- Wet the microfiber mop head with your own disinfectant solution for fast, effective deep cleaning to help meet health guidelines
- Extremely absorbent tube mop holds over 1/2 gallon of liquid to help remove bacteria, microbes, dust and dirt from floors
- More effective than sponge mops, cotton string or spin mops, which just push liquids around without retaining them
- Machine washable and dryable for reusability; can be laundered up to 500 times
- Durable, lightweight and long-lasting; will not fray or unravel
- Provides a smooth mopping experience; works great on smooth or rough surfaces and won't get tangled while mopping
- Offered in blue and green colors to avoid cross-contamination
- Includes (1) mop head and (1) telescoping handle/adaptor
