5S Shadow Board for Cleaning in Wet Areas

CLN5003 Wet Cleaning Applications,30" W x 68" L x 0.2" H

Optimize the organization of wet-area cleaning tools at your facility with a shadow board to easily see when a tool has been removed or is available.

- Hang your wet-area cleaning tools in a designated spot on a shadow board; board and hardware included
- Quickly scan and find tools to maximize facility efficiency; easily see if the tool you need is already in use
- Increase safety by ensuring tools aren't carelessly discarded by hanging them back in their designated spot
- Allows for a more open floor plan by hanging tools vertically
- Promotes a clean and safe facility where everything is in its place
