

Traction Plus® High Traction Floor Cleaner and Degreaser

CLN9001 1 gal. Container,1 each

Floor absolutely soaked with grease? This pre-treatment cleaner is perfect for degreasing even saturated porous floors to enhance their traction.

- Traction Plus pre-treatment cleaner improves traction by degreasing slippery floors
- Works incredibly well on heavily grease-soaked or even fully saturated and porous floors; one of the most effective on the market
- Makes cleaning grease spills on floors easy
- National Floor Safety Institute (NFSI)-certified
- Penetrates pores and tile surface to release slippery film for a fuller, deeper clean
- Ideal for safely treating commercial-grade porcelain tile, ceramic tile and quarry tile as well as terrazzo, concrete and other low-gloss floors
- Tile degreaser leverages natural surfactant that won't harm your floor; less harsh than most heavy-duty degreasers
- Great for food-industry floors with heavy grease
- Also works for pre-treating floors before applying adhesive-backed mats
- Additionally, this degreaser for tile floors actually strengthens tile surface and grout joints
- Required dilution gives you more applications; 64:1 for light grease, 32:1 for medium grease and 16:1 for heavy grease
- Do not use on marble; may dull high-gloss floors

Specifications

Brand	Traction Plus
Volume	1 gal. Container
VOC Content	VOC-Free
Sold as	1 each
Weight	9.5 lbs.
Composition	Proprietary Ingredients
Color	Pink
UNSPSC	47131821

Metric Equivalent

Weight	4.3 kg
