

Chapin® Backpack Sprayer

CLN918 Holds 4 gal., For Bioremediation Cleaners and Degreasers, 1 each

Treat large areas with this 4-gallon, self-cleaning Chapin backpack sprayer for cleaners and degreasers. Twice the capacity of a handheld sprayer for longer maintenance rounds.

- 3-stage filtration system with JetClean self-cleaning pump virtually eliminates clogging
- Stainless steel wand is strong and corrosion resistant for years of service
- Swing-away pump handle folds up for storage, can be installed for right-hand or left-hand use
- Includes three nozzles — poly fan, adjustable poly cone and adjustable brass — to create a range of spray patterns
- Padded shoulder straps and back padding provide all-day comfort
- Cushioned shut-off valve can be locked off to prevent accidental discharge; can be locked on for fatigue-free spraying
- Extra-wide 6-inch mouth opening lets you fill without a funnel and promotes easy cleaning
- 4'L reinforced PVC hose assembly resists kinking; clear for easy visual inspection
- 4-gallon poly tank is compatible with common cleaners and degreasers; ideal for use with award-winning PIG bioremediation products
