

CLN945 Remediator,(2) 2.5 gal. Container,2 per box

Our stormwater-safe solution treats and cleans crude oil and its byproducts on hard surfaces, soils, gravel, pits, machinery and oil rigs. Environmentally friendly formula requires no containment or cleanup!

- Break down and eliminate all known components of crude oil in all phases of oil field operations; eliminate rain runoff and sheen emissions
- BioBreaker microbes digest hydrocarbons through bioremediation, naturally converting them into water and harmless gases
- Stormwater-safe solution can enter storm drains and absorb into soil without harming the environment
- Easier than using cleaners and degreasers that cannot be allowed into waterways or groundwater systems — just check the SDS, Section 6, on competitor cleaners to see the warning!
- Applies easily using a manual sprayer and light agitation or pressure washer; product is designed to work over time as a repeated application
- Product is concentrated; dilute 1:15
- Please note that the depicted color may vary

## Specifications

Style	Remediator
Brand	PIG
Intended Use	Hard Surfaces, Soil, Gravel, Oil Pits, Machinery and Oil Rigs
Treats	Treats up to 7,425 sq. ft. or 2,365 2 ft. Dia. Stains in Single Application
Volume	(2) 2.5 gal. Container
VOC Content	VOC-Free
Color	Brown
Sold as	2 per box
Weight	46 lbs.

# per Pallet	36
Composition	Bacterial Cultures Water Alkypolyglycoside
Shelf Life	2 years
UNSPSC	47131821
Pigalog® Page Number	<u>Page 183</u>
Metric Equivalent	
Weight	20.9 kg
