

Valley Craft® EZY-Rol™ Aluminum Drum Truck

DLY302 For 30 to 55 gal. Steel Tight-Head Drums, 1000 lb. Load Capacity

Extra-stable, light-weight, non-sparking design is ideal for use with drums of flammable liquids.

- Stable, 4-wheel design helps you move drums on and off pallets without strains or tipovers
- Non-sparking design is an excellent choice for handling drums of flammables
- All-aluminum construction is corrosion-resistant and light-weight but holds up to 1,000 lb.
- Spring-loaded chime hook automatically engages to prevent sliding or falling drums
- For tight-head 30- or 55-gallon steel drums only
