

55-Gallon Poly Drum Heater

DRM1005 For 55 gal. Plastic Drums, 120v/3000W

Thermostat-controlled heater warms thick liquids for easier handling.

- Clamps onto a 55-gallon poly drum to gradually warm liquids for easier pumping or dispensing
- Thermostat-controlled band can be adjusted up to 160°F to accommodate liquids of varying temperatures
- 6" W heating band features an adjustable spring closure to fit any 55-gallon poly drum
- Multiple heaters can be used on a single unit
- Durable aluminized steel heating band is powered by a 120v outlet
- For best results, heat from the bottom of the drum, periodically stir liquid and monitor temperature
- Ideal for use on drums of thick, viscous liquids such as molasses, syrups or resins
- Not for use with flammable or hazardous liquids

Specifications

Use With	55 gal. Plastic Drums
Brand	Basco
Interior Dimensions	22" Dia. x 4" H
Power Requirements	120v/3000W
Distributor Part Number	4267092;04088x70006
Sold as	1 each
Color	Red
Weight	3 lbs.
# per Pallet	60
Composition	Band: Fiberglass Reinforced Silicone Rubber Heating Elements: Nickel Alloy Wire
UNSPSC	40101809

Metric Equivalent

Weight	1.4 kg
