

# Valley Craft® Aluminum Drum Truck with Brake

DRM1166 For 30 to 55 gal. Steel, Fiber, or Poly Rimmed Open- or Tight-Head Drums, Load Capacity 1000 lbs.

Aluminum hand truck lets you easily and efficiently transport empty or full 30- or 55-gallon drums.

- Efficiently transport drums and barrels throughout your facility or while on the go
- Ideal for transport across flat or sloping surfaces
- Compatible with 30- and 55-gallon drums made from steel, plastic or fiber
- Aluminum frame is lightweight for easy handling
- Frame is also spark resistant
- Twin rubber grip handles improve operator control in humid environments
- Standard universal chime hook is spring loaded with hands-free connection
- Hand brake provides added control and safety; allows for easy stopping
- 4-wheel design increases safety while eliminating operator fatigue
- (2) 12" front pneumatic wheels provide ease of handling over various terrain
- (2) 6" rear poly wheels improve stability and control
