

## PIG® Burpless® Tall Steel Drum Funnel

DRM1211 For 30 and 55 gal. Poly or Steel Drums w/ 2" NPT, Overfill Preventer Sold Separately, 11.25" W x 15" L x 13" H

Extra height lets you drain containers inside the sealed funnel to cut vapor releases; patented Burpless design delivers fast, no-splash pouring and one-hand latch.

- Drain paint cans and other containers (maximum height 8") while keeping the lid closed to reduce vapor emissions
- Exclusive latching handle design easily opens and closes lid in a simple, single-handed operation
- Burpless design vents during pouring for fast, smooth flow with no dangerous splashback
- Lets you pour without having to vent through  $\frac{3}{4}$ " bung to prevent splashback, a possible closed container reg violation if left open
- Nitrile gasket and latching mechanism completely seal lid to help reduce vapor emissions
- Padlockable to prevent unauthorized access
- Durable, chemical-resistant powder coat helps ensure long service life
- Multiple lid color options let you segregate drums
- Screws securely into a standard 2" bung opening
- FM Approved for flammable liquids when equipped with a PIG Drum Funnel Flame Arrestor (DRM617, sold separately)

| Item#      | Description | Dimensions               | Weight     |
|------------|-------------|--------------------------|------------|
| DRM1211-BK |             | 11.25" W x 15" L x 13" H | 15.75 lbs. |
| DRM1211-RD |             | 11.25" W x 15" L x 13" H | 15.75 lbs. |

### Metric Equivalent:

| Item#      | Description | Dimensions               | Weight |
|------------|-------------|--------------------------|--------|
| DRM1211-BK |             | 29cm W x 38cm L x 33cm H | 7.1 kg |
| DRM1211-RD |             | 29cm W x 38cm L x 33cm H | 7.1 kg |

## Specifications

|                             |   |
|-----------------------------|---|
