

## PIG® Aerosol Can Recycler Repair Kit With Neoprene Gasket

DRM1239 For Aerosol Can Recycler or AEROSOLV Can Puncturing System, 1 each

Replace the wear-and-tear parts of your PIG Aerosol Can Recycler.

- Neoprene gasket is ideal for use with most aerosol can contents (for paint cans, a Viton gasket is recommended)
- Routine use of your PIG Aerosol Can Recycler can wear out the puncturing pin and spring
- Kit contains all parts needed for routine system maintenance: 2 Neoprene replacement gaskets, 1 stainless steel puncture pin, 1 spring, 1 tube of lubricating grease
