

## Zee Line Alkaline Battery-Operated Pump with Auto Shutoff

DRM1410 For DEF; Light Oils; Water-Based Fluids, Max Flow Rate 2.4 gal./Minute

Overfill preventing tip allows you to pump your liquids into small pails without worrying about them spilling over.

- Pump automatically shuts off to eliminate overflow situations
- Unique, portable design can be used remotely in locations that standard pumps requiring power cords or airlines could not reach; 2 AA batteries not included
- Compatible with diesel exhaust fluid (DEF), light oil and water-based fluids of 20 wt. maximum viscosity
- Ideal for moving material from 5 gallon pails to equipment or other containers; fits sumps, bladders and containers
- Pumps up to 2.4 gal./minute

### Specifications
