

## Tie-Off Drum Liner - Chemical Resistant

DRM143 For 55 gal. Poly or Steel Drums, Thickness 5 mil, 20 per box

Tough liners withstand chemicals, paint, non-flammable solvents and hot liquid fills.

- Withstands extremes that other drum liners can't
- Reduces the cost of cleaning, reconditioning and disposing of used containers
- Saves time by minimizing time to prepare drums for new contents
- 5 mil, multi-layered nylon/poly film resists chemicals, paints and non-flammable solvents that break down standard liners
- Contoured design is easy to insert and won't leave folds or pockets in liner that trap liquids
- Peel-over liner extends over the lip of the container
- Use liners to help you eliminate container residue that could be a source of liability
