

Snap-Over LDPE Drum Insert - Anti-Static

DRM1902 For 30 gal. Steel Drums, Thickness 15 mil, 25 per box

Save time and extend drum life; insert snaps over drum rim and is ideal for mixing or pumping of flammable materials.

- Liners help dissipate static charge and allow drums to be reused when working with flammable materials
- Heavy-weight 15 mil LDPE liner reduces the costs associated with cleaning, reconditioning and disposing of used drums
- Lip snaps into place on drum rim for easy pouring and handling without risk of liner pulling off or leaking
- Ideal for storing paints, inks, coatings and other hard-to-clean materials
- Made of FDA-Compliant polyethylene, safe for use with foods and cosmetics
- Color-coded pink to distinguish anti-stat liners from other liners
