

Clean-Sak™ Duffel Top Bag

DRM3012 For Solid Waste,Max 2,000 lbs.,Storage Capacity 1 cu. yd.

Ship or store hazardous solid waste in this UN-approved super-sack bulk bag that conforms to shapeless or awkward-shaped contents to fit more.

- Store or ship hazardous materials in this UN-rated super-sack bulk bag; intended for solids only
- Clean-Sak waste bag is ideal for collecting saturated absorbent mats, bulky booms, used rags, contaminated soil, sediment and more
- Versatile, structureless form conforms to contents to save interior space and fit more awkward-shaped or shapeless contents relative to bag size
- Duffel-top helps prevent spill-out while filling or transporting super sack bags
- High-capacity straps are rated at 2,000 lbs. for secure lifting using a hoist or forklift with proper attachment
- Rugged polypropylene outer layer resists oil
- Folds for easy carrying and compact storage
