

ProSolv® Propane Cylinder Recycling System

DRM429 Propane Cylinder Recycler, For Standard Propane Cylinders, 1 each

Recycle standard propane cylinders and avoid costly hazardous waste disposal.

- Pays for itself with recycling of three standard propane cylinders
- Safely removes valve stem so canister can recycle as scrap steel rather than be disposed of as hazardous waste
- Inserts "Recyclable" steel certification tag into cylinder valve
- Activated carbon filter helps remove Volatile Organic Compounds (VOCs) from propellant
- Unit can be hand-held or mounted on bench
- Anti-static wire grounds unit
