

## Snap-Over LDPE Drum Insert

DRM474 For 55 gal. Plastic or Steel Drums, 15 mil, 20 each

Heavy-weight insert snaps over drum bead and is ideal for mixing or pumping.

- Heavy-weight 15 mil LDPE liner reduces the costs associated with cleaning, reconditioning and disposing of used drums
- Liner's contoured design is easy to insert and won't leave folds or pockets that will trap liquid
- Lip snaps into place on drum bead for easy pouring and handling without risk of liner pulling off
- Straight-sided design is ideal for mixing and pumping
- Easily accommodates follower plate
- Saves time cleaning and eliminates residue that could be a source of liability
