

AEROSOLV® Colorimetric Indicator Replacement Cartridge

DRM666 For AEROSOLV Can Puncturing System, 2 per box

Replaces the Carbon Cartridge portion of the AEROSOLV® two-piece coalescing filter/carbon cartridge.

- Coalescing filter stages often outlast carbon filters, so you save money by replacing only the carbon cartridge
- Activated carbon captures odors and potentially-harmful VOCs released by punctured aerosol cans
- Colorimetric indicator means no-guess filter changeouts
- Cartridge life is 3 months or 1,000 cans
