

AEROSOLV® Colorimetric Indicator Replacement Cartridge

DRM667 For AEROSOLV Can Puncturing System, 1 each

Replaces the entire Coalescing Filter/Carbon Cartridge in your AEROSOLV System.

- Two-piece coalescing filter/carbon cartridge captures odors and potentially-harmful VOCs
- Colorimetric indicator means no-guess filter changeouts
- Carbon Cartridge includes check valve to help prevent passive gas release
- Filter life is 6 months or 2,000 cans; cartridge life is 3 months or 1,000 cans
- Coalescing Filters typically outlast Carbon Cartridges (both are available separately so you can replace as needed)
