

Zee Line Open Hose Reel

DRM697 For Zee Line Air-Operated Metered Oil Drum Pump System

32' premium rubber hose allows you to dispense lubricant all around your work area without moving the oil drum.

- Premium rubber hose (inlet thread 1/2" F NPT, outlet connection 1/2" M NPT) is 32' long to reach your entire work area without moving the drum of lubricant
- Adjustable hose stop lets you position reel wherever you need it
- Durable dual-arm support can be mounted on a truck or any stationary surface
- Spring loaded hose retracts when finished
- Use with Air-Operated Pump and Quart Meter (not included) to create an easy-to-use dispensing system
