

Vestil Steel Lo-Profile Drum Caddy

DRM765 For 30 to 55 gal. Steel, Fiber, or Plastic Rimmed Open- or Tight-Head Drums, Load Capacity 1200 lbs.

This drum caddy delivers more for your money! Unique design features a removable handle for easy loading, a built-in bung wrench and a low-profile design that lets you maneuver a drum only 1/2" off your floor.

- Designed to maneuver drums only 1/2" off the floor, without having to tilt or balance as you go
- Multifunctional removable handle can be used to tilt the drum you're loading for easier handling; also features a built-in bung wrench that goes everywhere your caddy goes
- Hinged handle angles to a comfortable position for easy transportation
- Pivoting caster enhances maneuverability
- 1,200-lb. capacity for heavy-duty hauling
- Polyurethane wheels provide smooth transport
- Ideal for moving drums with pumps or other accessories in place
