

Rechargeable LED Scene Light

ELS275 LED, 5300 Lumens

Massive, rechargeable scene light delivers 5,300 lumens to light up entire work areas during emergency power outages.

- Six C4 LEDs and wide parabolic reflectors broadcast a smooth floodlight
- Three lighting levels: 5,300 lumens for 4 hours; 2,500 lumens for 9 hours; 1,300 lumens for 18 hours
- Sealed lead acid batteries can be recharged up to 500 times
- Quick-deploy design stands 6-feet high; 72" extension pole with 90-degree swivel neck allows precision aiming for task lighting
- Packs to a compact size for easy storage
- Collapsed light can also be carried as a lantern
- Safe for indoor/outdoor environments, perfect for storm outages and emergency lighting year-round
- 12V power cord included to preserve battery life
