

FloodBoss™ Mildew-Resistant Absorbent Sock

FLD002 Resists the Growth of Mildew Long-Term, Each absorbs up to 1 gal., Includes (4) 3" x 48" socks

Water in your basement? Storm coming in your patio doors? These Socks can be left in place for long-term protection to help keep you dry.

- Flexible socks can be lined along wall bases, windowsills and door thresholds or used to surround spreading puddles and leaky appliances
- Use for cleanup after heavy rains or place in problem areas to stand guard 24/7; Socks won't grow mildew, even when damp
- Reuse up to three times; just squeeze water from saturated socks and air-dry
- Tough outer skin won't rip or tear, stands up to rough handling
- Thirsty filler absorbs and retains water on contact; won't leak back out like rags and towels
- FloodBoss helps protect your home, including all those irreplaceable keepsakes in your basement, from water damage; take control and *make last time the last time™*
