

FloodBoss™ Super Water Absorbing Sock

FLD007 One-Time Use for Large Volumes of Water, Each absorbs up to 1.75 gal., Includes (40) 3" x 48" socks

Ease the pain of heavy rains with our most absorbent socks for water intrusions. Soak up whatever gets inside or use them as barriers to keep water out!

- Absorbs water on contact for fast absorption of pools and puddles after heavy rains
- Divert spreading water away from finished areas and storage boxes to protect your property
- Each Sock absorbs 1.75 gallons of water, that's 15 times its weight, and is designed for one-time use
- Tough outer skin won't rip or tear, stands up to rough handling
- Super absorbent polymer (SAP) filler absorbs and retains water on contact; won't leak back out like rags and towels
- FloodBoss helps protect your home, including all those irreplaceable keepsakes in your basement, from water damage; take control and *make last time the last time*™
