

FloodBoss™ Reusable Water-Filled Barrier

FLD009 Ideal For Washdowns, Temporary Water Diversion, 1 each

Be prepared to dam, channel or divert water to stop the next big storm from breaching your home. Just unroll, fill with water and this Reusable Barrier is ready to work!

- Empty barrier rolls up for easy storage and can be ready for use in minutes; holds 3.6 gallons of water to form a 34-lb. barrier
- 2"-high Barrier is ideal for controlling and directing water in basements, garages and other areas where water is creating problems
- Durable, reinforced vinyl material stands up to repeated use
- Quick-access valve for easy filling and emptying
- FloodBoss helps protect your home, including all those irreplaceable keepsakes in your basement, from water damage; take control and *make last time the last time™*
