

PIG® Rubber Drainage Mat

FLM1000 Wet Applications, Nitrile and SBR Rubber, 3' W x 5' L

Stay safe while looking sharp. Place this mat in spill-prone areas to protect employees and customers from slips and falls.

- Provides better slip resistance than ceramic or cement floors in high-traffic, wet or spill-prone areas
- A low profile and beveled edges help prevent trips and falls
- Drainage holes channel liquid to prevent pooling and slipping
- Lightweight, easy to clean and autoclavable
- 3' x 5' mat is great for small areas or individual workstations
