

PIG® Anti-Slip Mat Roll for Wet Areas

FLM1010 Not for Chemical Contact, Not for Oil/Grease Contact

Designed specifically for wet, high-traffic areas like pools and locker rooms, this is the perfect solution for preventing slips and falls.

- Ideal for heavy barefoot traffic in wet areas: high-traction, anti-fungal and comfortable to walk on
- Slip-resistant, embossed surface adds traction to reduce the risk of slips and falls
- Perfect for wet, slippery areas like pools, showers, locker rooms, saunas, spas and jacuzzies
- Sanitized with anti-bacterial and anti-fungal additives - ideal for bare feet
- Open grid construction keeps feet elevated above wet floors
- UV resistant for outdoor use (except red color); great for indoor areas too

Item#	Description	Dimensions	Weight
FLM1010-2X40T-CRB	2' x 40'		
FLM1010-2X40T-MR	2' x 40'
