

PIG® Anti-Static ESD Anti-Fatigue Floor Mat

FLM1011 Dry Applications, PVC Foam, 2' W x 3' L, 3' W x 5' L, 3' W x 12' L

On your feet, working around electronics? This anti-static floor mat will keep you comfortable without posing a static-related risk to your equipment.

- Maintain a safer office or laboratory testing station by keeping your feet comfortable, without static-related risk to your equipment, so your mind can stay focused on the job at hand
- Protect your electronic equipment from damage and potential data loss with this static dissipative mat's resistivity of 109 OHMs per square
- Enjoy more spring for longer thanks to the high-quality PVC Foam, which maintains its cushioning effect for 3x longer than the average anti-fatigue mat
- Go the extra step to reduce tripping hazards on this ESD floor mat's beveled edges by choosing the available yellow-border option
- Grounding cord included with anti-static mat
- Custom sizes available; call 1-800-HOT-HOGS for details.
