

PIG® Marbled Cushion Anti-Fatigue Mat Roll

FLM1031 Dry Applications, Top Coat: SBR
 Rubber/Cushion: Sponge, 2' W x 60' L, 3' W x 60' L,
 4' W x 60' L

Helping customers for long, stressful hours on your feet? Improve your mindset with fewer aches by standing on this cushioned anti-fatigue mat roll with elegant marble pattern for professional presentation.

- Make your floor look good *and* feel good by setting this marble anti-fatigue mat roll anywhere you work for long hours on your feet, from cash registers, service counters and salons to customer-facing offices in industrial settings
- Express just the right style for your unique space by choosing from a variety of marbled colors, each of which also helps to hide common stains so that your area continues to look professional and clean
- Stay safe with the marble mat roll's beveled edges, on all four sides, that reduce tripping by creating a safe transition onto and off of the mat
- Easily clean without lifting the mat roll; the smooth surface is intentionally designed without texture or slip-resistance so that you can mop or run a floor cleaner right across without any hassle
- Rely on the heavy mat roll that works almost as hard as you do; the smooth, high-grade top surface that withstands most wear and tear, short of sharp heels, is bonded to the resilient fatigue-fighting sponge and thick-foam bottom to last longer than similar smooth rubber mat rolls
