

Industrial Deck-Plate Anti-Fatigue Mat Custom 3' Roll

FLM449 Not for Chemical Contact, Not for Oil/Grease Contact, 3' x 0.56"

PVC sponge base and deck plate vinyl surface for comfort, durability and professional industrial image in dry areas.

- PVC sponge base provides excellent anti-fatigue properties
- Vinyl deck-plate surface adds traction and durability; ideal for moderately-wet, high-traffic areas
- Available in black or black with high-visibility yellow borders
- Custom length lets your mat match your workplace with clean, factory-cut edges
