

Non-Skid Step Strips

FLM646 6" x 24",50 each

Precut strips are easy to apply to stairs or ramps for a non-slip surface.

- Rounded corners give a professional look, make application easier and won't lift or flag like conventional squared corners
- Durable mineral grit compound creates a non-skid surface for safe footing throughout your facility
- Grit is sealed with 2-part epoxy resin for durability and to prevent shedding
- Resists oil, water and heavy foot traffic for long service life
- Adhesive features low initial tack for minutes of easy repositioning
- Tape removes without residue
- Just remove protective backing and apply
