

Workers-Delight™ Deck Plate Anti-Fatigue Mat Custom 4' Roll

FLM843 Not for Chemical Contact, Not for Oil/Grease Contact, 4' x 0.625"

Zedlan Foam bottom and deck plate PVC top offer a great combo of comfort, durability and appearance for dry work areas.

- Zedlan Foam bottom provides cushion and is extremely comfortable to work on
- Slip-resistant coating on underside of mat helps prevent shifting on smooth surfaces
- PVC deck plate surface adds traction and durability
- Anti-fatigue properties reduce leg stress and back strain
- Beveled edges help reduce tripping hazard
- Great for use in dry areas like assembly lines, workstations, cart traffic areas and finishing
- Available in black, gray or black with high-visibility yellow borders
- Order by the linear foot for custom lengths with clean, factory-cut edges (minimum length 2', maximum 75')
