

Anti-Fatigue Mat Corner

FLM847 For Notrax Lok-Tyle Modular Draining Anti-Fatigue Mat, 1 each

Attach this corner piece to Notrax Lok-Tyle Modular Draining Anti-Fatigue Mat to create safe pathways around your facility.

- Outside corner piece lets you create square and rectangular configurations (inside corners also available for T-shapes and advanced layouts)
- Boost safety and comfort in light-duty applications where anti-slip coverage is needed
- Interlock system makes it easy to customize your work area and replace individual pieces as needed
- Assembles easily with built-in connectors, then stays in place during use
- Comes in a variety of colors to match mat and fit any environment
- Embossed surface provides traction
