

PIG® Carpet Protection Self-Adhesive Film

FLM9000 24" W x 200' L, Carpeted Floors/Indoors, Disposable

Protect your carpeting from dirt, stains and damage during light construction, painting and other maintenance jobs. Self-Adhesive Film won't shift while you work!

- Self-adhesive film sticks to carpet fibers to protect surfaces
- Film can be left in place up to 4 weeks depending on conditions and traffic patterns
- 2.2 mil material is liquidproof and puncture resistant
- Reverse-wound roll (adhesive on the outside) allows easy unrolling as you install
- Cover any length of floor, even carpeted stairs, or an entire room; cuts easily to size
- Ideal for temporary protection during light construction, renovations, moving, painting, events, packaging and other maintenance jobs
