

PIG® Floor Protection Self-Adhesive Film

FLM9002 24" W x 200' L,Hard Floor Surfaces/Indoors,Disposable

Protect hard floors from scratches, splashes, stains and damage during light construction, painting and other maintenance jobs. Self-Adhesive Film won't shift while you work!

- Self-adhesive film sticks to tile, concrete and other hard flooring to protect surfaces
- Film can be left in place up to 4 weeks depending on conditions and traffic patterns
- 2.5 mil material is liquidproof and puncture resistant
- Green color indicates product is in place and work is in progress
- Easy installation: unroll, press and smooth into place, cut to fit
- Cover any length of floor or an entire room
- Ideal for temporary protection during light construction, renovations, moving, painting, events, packaging and other maintenance jobs
