

PIG® Floor Protection Self-Adhesive Covering

FLM9007 24" W x 100' L, Hard Floor Surfaces/Indoors, Disposable

Durable, shock-absorbent covering protects hard floors from scratches, splashes, spills and damage during light construction, painting and other maintenance jobs. Self-Adhesive Covering won't shift while you work!

- Self-adhesive covering sticks to tile, concrete and other hard flooring to protect surfaces
- Covering can be left in place up to 8 weeks depending on conditions and traffic patterns
- Non-woven material is durable yet soft enough to absorb shock from falling objects; liquidproof surface also provides some slip resistance
- Easy installation: unroll, press and smooth into place, cut to fit
- Cover any length of floor or an entire room
- Ideal for temporary protection during light construction, renovations, moving, painting, events, packaging and other maintenance jobs
