

Ergodyne® Mini Kneeling Mat

FLM961 Standard Applications, Nitrile Rubber Closed Cell Foam, 4" W x 6" L

Protect your knee with cushioned comfort by using this mini kneeling mat with closed-cell foam.

- 1" nitrile rubber (NBR) closed-cell foam keeps its shape over time; won't absorb liquids; non-conductive
- Lightweight; small enough to store conveniently in your tool box
- Handle attaches to belt loops, keychains or toolboxes with a grabber clip or carabiner
- Ideal for meter readers, service technicians, in-home services or anyone looking for quick knee support without the need for knee pads with straps or a large kneeling mat
