

## PIG® Curb-Style Drain Filter

FLT214 For Oil; Sediment; Debris; Trash, For Curb Inlet w/ Grates up to 40" W x 40" L & Curb Opening from 24" to 42" W, Trim to Fit

In high-traffic areas with catch basins, there's no easier way to guard an inlet against oily runoff and sediment - and avoid stormwater fines.

- Sewn-in debris diverter blocks runoff at curb opening and directs it into grate
- Polypropylene skirting fits inside catch basin under grate to further block debris from drain
- 18"-deep accumulation pocket collects oil, sediment and other contaminants but lets water flow through
- Skimming pillow absorbs floating hydrocarbons that enter the drain catch basin
- Use in curb inlets and catch basins with grates up to 40" x 40" and curb opening from 24" to 42"
- Helps you meet 40 CFR 122.26 when used as a best management practice in a Stormwater Pollution Prevention Plan
- Add strength and capacity by fitting heavy-duty Retainer Rods (sold separately) through attached loops

## Specifications

Style	Inside the Drain
Use With	Curb Inlet w/ Grates up to 40" W x 40" L & Curb Opening from 24" to 42" W
Dimensions	48" W x 47" L
Absorbency	Up to 1.4 gal.
Application	Disposable
Brand	PIG
Color	Gray
Drain Shape	Square; Rectangular
Max Flow Rate	500 gal./Minute
Opening Dimensions	10" Dia.
Special Feature	Trim to Fit
Substance Filtered	Oil; Sediment; Debris; Trash

<b>UV Resistant</b>	Yes
<b>Sold as</b>	1 each
<b>Weight</b>	5 lbs.
<b># per Pallet</b>	32
<b>Composition</b>	Polypropylene
<b>UNSPSC</b>	47101514
<b>Pigalog® Page Number</b>	<a href="#">Page 175</a>

## Metric Equivalent

<b>Absorbency</b>	Up to 5.3 L
<b>Dimensions</b>	121.9cm W x 119.4cm L
<b>Weight</b>	2.3 kg
