

Carbon Pillow for PIG® Pour-Through Oily Water Filter

FLT612 For Oil, Absorbs up to 12 gal. per box, For Pour-Through Oily Water Filter

Add Carbon Pillows to your Pour-Through Oily Water Filter to remove trace hydrocarbons from waste water.

- Pillow works in conjunction with oil-only filtering pillows used in the Pour-Through Oily Water Filter
- Granular activated carbon won't inhibit water flow during filtration process
- Ideal for quick filtering of oily waste water, mop water and more
- Pillows are easier to replace than loose media absorbent
- Self-contained pillows can be rotated in drum when they become saturated to extend product life
