

PIG® Oil & Sediment Catch Basin Filtration Insert System - Small

FLT752 For Oil; Fuels; Sediment; Floatables, For Storm Drains 24" to 32" W & 24" to 32" L, Adjustable Frame; Replaceable Filter

Storm drain filter changeouts take 10 seconds! Semi-permanent solution uses a replaceable filter bag that removes oil and sediment from stormwater runoff. Install the drain insert once, then replace just the filter bag.

- Filter bag replacement is an easy, one-person job!
- Adjustable stainless-steel frame will not fall in the drain like frameless inserts
- Drop the replaceable filter bag remove oil and sediment from your stormwater runoff
- Large overflow ports prevent your parking lot from flooding
- Replaceable filter bags save you money and reduce waste; dispose and replace only the filter bag
- Filter bag holds up to 40 pounds of oil and sediment; replace when bag is clogged or full
- High visibility, durable straps make it easy to lift used filter bags from your drain insert
- Drain insert is UV-resistant to last longer; filter bags need replaced when full or clogged
- Below-grate design is ideal for areas with light to moderate vehicle traffic
- Includes 2 drop-in filter bags
- For drains 24" to 32" W x 24" to 32" L

Specifications

Absorbency Range	1 - 9.9 gal.
Style	Inside the Drain
Use With	Storm Drains 24" to 32" W & 24" to 32" L
Absorbency	Up to 1 gal.
Application	Semi-Permanent
Brand	PIG
Color	Black/Blue/Gray
Drain Shape	Square; Rectangular

Max Flow Rate	120 gal./Minute
Opening Dimensions	10" Dia.
Special Feature	Adjustable Frame; Replaceable Filter
Substance Filtered	Oil; Fuels; Sediment; Floatables
UV Resistant	Yes
Sold as	1 each
Weight	23 lbs.
New Pig Patent	10,844,588
# per Pallet	7
Composition	Insert Strips and Ring: PET Straps: PET Edge Fabric: Urethane Coated Nylon Basket: HDPE Expandable Frame: Stainless Steel Filtration Bag Support Ring: Steel
Includes	1 - Catch Basin Filtration Insert - Small 2 - Oil and Sediment Filter Bag Insert (FLT754)
UNSPSC	47101514
Pigalog® Page Number	Page 170

Metric Equivalent

Absorbency	Up to 3.8 L
Weight	10.4 kg
