

## Oil Drain Basin

GEN1140 Heavy Duty Polyethylene, Storage Capacity 6.5 qt., 1 each

Reduce spilling and fluid loss while performing vehicle maintenance with this heavy-duty oil drain bowl with E-Z Grip handles.

- E-Z grip handles make transporting without spills easy
- Convenient pour lip
- Heavy-duty polyethylene construction is built for long-term use; won't deteriorate with repeated exposure to petroleum products
- Ideal for use as a transmission oil drain pan, motor oil drain container, or antifreeze drip pan
